

March 2017

Greetings!

Please join us for our first TTN Fundraiser on **Monday, March 27th at BJ's Restaurant in Florence, KY!** For those who've never been, it's right in front of the Florence Mall and offers a wide selection of food choices. Print off and bring the attached flyer or take a picture of it and show it on your phone (you will also find it on our Facebook page), and present it anytime from **11am to 9pm**. TTN will receive 20% of all non-alcohol sales. The best part about this fundraiser is that your dollars get doubled by one of our funders. Help us reach our challenge grant goal of raising \$15,000 in 2017. All money raised goes back into TTN's work to help our network and the community become more trauma-informed. Speaking of trauma-informed care, Echo Parenting & Education recently released a great infographic on **Trauma-Informed vs. Non-Trauma-Informed Care** in both English and Spanish. Download it here: <http://www.echoparenting.org/resources/echoarrow> and use it to further your own understanding or the understanding of others.

Hope you have a wonderful week!

TTN's 2017-2018 Trauma-Informed Care Learning Community Welcomes Participation by Schools

This year our Trauma-Informed Care Learning Community is expanding to include specialized services for schools, in addition to social service agencies. Find out more at our **Informational Webinar on March 23, 2017 from 2-3:30pm**, which will include feedback from two currently participating agencies: a mental health agency and an early learning center.

Since last year, the National Council has refined their approach to working with schools and even adapted the Seven Domains of Trauma-Informed Care for use with schools.

We are excited to be the first organization offering this unique opportunity to schools in the tristate area!

The link to Webinar Registration, as well as the 2017-2018 Learning Community Announcement Letter with details about this program, can be found at the top of our website's [Events page](#).

Membership Prize Drawing Winners & Another Opportunity to Win

At our Quarterly Meeting last week, we acknowledged all members (31 agency and 18 individual) who joined by the March 1st deadline and randomly drew our Membership Prize Winners.

Agency Member Winner: Greater Cincinnati Behavioral Health Services
won a free copy of "Paper Tigers."

Individual Member Winner: Kimberly Vournazos
won free registration at a TTN training.

To continue the winning spirit, we have a new promotion on our [Facebook page](#). Go to our page, like it (if you haven't yet), and enter your name and email in the appropriate place to be put in a drawing to receive your own copy of "Paper Tigers" the award-winning documentary directed by James Redford.
