Building hope through system transformation

APRIL 2017 NEWSLETTER

Greetings!

Happy Spring! Just a quick note to remind you that there are many people working to make the tristate as well as the country more trauma-informed. Check out the featured events and resources in this newsletter and please let us know if you have any to add!

Applications Now Available for TTN's 2017-2018 Trauma-Informed Care Learning Community

Does your agency want to be more trauma-informed? Have you been looking for ways to navigate the world of trauma-informed care and make it come to life? Do you want to see an increase in the satisfaction of your staff and consumers/students? Better retention for both?

The TTN TIC 12-month Learning Community will guide you through this process! If you missed the **Learning Community Introductory Webinar** last month, you can find the slides and recording below. If you are interested in applying for our 2017-2018 Learning Community, all the information you need is on the top of our [Events page](#): Letter outlining the services and commitment, Learning Community Timeline, 2017-2018 Application, Information on Domains of Trauma-Informed Care and Trauma-Informed Schools. For your convenience, the application is below also. **Applications are due by May 15th.**
