

March 2016 Newsletter

Greetings!

The Tristate Trauma Network is proud to announce its first official Board of Trustees. Over the past few months, the Advisory Board members and I have worked hard to identify individuals committed to our mission who also represent the interests of the entire tristate. I believe we have an exceptional group of people working to further the development of trauma-informed systems of care in our community. Officers are as follows:

Chair - Jane Herms, MSW, CEO, Family Nurturing Center (KY/OH)

Vice-Chair - Tricia Burke, LISW-S, CEO, Envision (OH)

Secretary - Lucy Gillespie, Director of Operations, Mental Health America of Northern Kentucky and Southwest Ohio (KY/OH)

Treasurer - Jodie Short, MHSA, Business Director, Mayerson Center for Safe and Healthy Children at Cincinnati Children's Hospital Medical Center (OH)

I sincerely thank all of them for their service to the TTN!

Melissa Adamchik, Executive Director

Trauma-Informed Care Learning Community Applications Are Due March 18th

Does your agency want to be more trauma-informed? Have you been looking for ways to navigate the world of trauma-informed care and make it come to life? Do you want to see an increase in the satisfaction of your staff and consumers? Better retention for both?

The TTN TIC 12-month Learning Community, in partnership with the National Council for Behavioral Health, will guide you through this process. A webinar was held last month to further explain the process. **You can find the webinar slides on our website, along with**

all the other information you need to apply for our 2016-2017 Learning Community.
Click the button below to go there. **Applications are due by March 18th.**
